### **Allegany Arts Council Names 2022-2023 General Operating Grant Recipients**

CUMBERLAND—The Allegany Arts Council recently awarded a total of \$25,000 in General Operating Grants to nonprofit organizations helping to make our region a community "alive with the arts!" The eleven organizations receiving awards were: Chorus of the Potomac, Cumberland Choral Society, Cumberland Jazz Society, Cumberland Theatre, Embassy Theatre, FSU Center for Literary Arts, FSU Department of Theatre & Dance, Mountainside Baroque, Savage Mountain Punk Arts, Tri-State Community Concert Association, and World Artists Experiences.

The Arts Council is proud to support organizations dedicated to creating artistic and cultural opportunities right in our backyard—producing live theater productions, giving students the chance to perform, presenting professional musicians and dancers, hosting readings by renowned authors, and so much more.

The Arts Council will provide additional grant opportunities throughout the year, with Individual Artist Grant Awards being announced in the coming weeks.
