Allegany Arts Council Artist Holiday Market to Open on Black Friday

CUMBERLAND—The Allegany Arts Council's 2022 Holiday Market will open from 1:00PM-8:00PM on Black Friday and continue with hours from 11:00AM-5:00PM, Tuesday through Sunday, through December 23. The market will feature handmade and original creations by artists throughout our community and region, including handmade note cards, jewelry, ceramics, ornaments, knitwear, woodwork, paintings, photography, and much more.

The Arts Council will host its Holiday Open House on Saturday, December 10, from 3:00PM-5:00PM. This annual event is a way for the Arts Council to thank our community for an incredible year, and revel in an afternoon of festive spirit. It is also an opportunity for visitors to enjoy warm drinks and holiday goodies, hear festive music, and shop at our Holiday Market. The event is free and the public is invited to attend.
