Mountain Maryland Artist Studio Tours to Take Place October 8 & 9

CUMBERLAND—The Allegany Arts Council’s 2022 Mountain Maryland Artist Studio Tours will take place Saturday and Sunday, 8 & 9, from 11:00AM to 5:00PM each day. This annual event allows community members to visit local artists in their studios, giving visitors an opportunity to see artists’ workspaces, talk with artists about their process, and purchase one-of-a kind work. The 2022 tour spans from Flintstone to Swanton, featuring painting, quilting, jewelry, woodworking, photography, ceramics, and sculpture.

The event is free, and tour books are available for pickup at the Allegany Arts Council and from participating artists. For more information, and to learn more about the artists who are taking part, visit <https://www.alleganyartscouncil.org/artiststudiotours/participating-artists/>.
