A Mazing City public opening rescheduled due to predicted storm

CUMBERLAND—A storm predicted to bring heavy rain and potential flooding to the area Wednesday evening has pushed back the public opening of the temporary public art project, A Mazing City, once again. A rain date has been set for Saturday, October 2, from 2:00-6:00PM. The event will still be held at Canal Place, where the project is now on display.

Stay tuned for additional details about activities tied to the public opening as the date nears. In the meantime, members of the public are invited to explore this bold and colorful piece on their own and to create videos and photos to share using social media, #amazingcitymd.
